Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?

NOTES FROM MEETING #3144 – 30/01/2020

Our club or more specifically our attendance is improving and thanks must go to President Barry and his unique style of conducting the meeting. There has never been a consistent approach to beginning the meeting so that keeps everyone on their toes even if they haven't yet found a seat. Barry runs a jovial, relaxed & a slow finishing meeting. Tonight we had two visitors, a guest speaker Lisa Burgman and Ken Chan from The Arnhem Land Progress Association both welcomed by President Barry who went on to warn us that tonight's announcements would be brief: First our special guest for next week would be delivering a lengthy speech on an interesting topic, namely The Exploration Project Of the Beetaloo hydrocarbon deposit by Origin. We are expecting a big gathering as the other Rotary Clubs in the Darwin area have been invited to attend.

Barry apologized for the missing EFTPOS facility tonight, it seems that the Bank forgot us, (Or Korbi let them).

Directors reports followed; There will not be flood lights installed at the Garden sports complex for major events. This is mentioned as it effects our major sporting event 'The One Million Hole in One Competition' On the 10th February there will be a Club Board Meeting. Aidan said the Australia Day Fun Run went off ok although our presence or lack of volunteers was noticed, still those that turned up were appreciated and did their bit with thanks from the Variety mob.

Director Mick was absent so he couldn't have pointed out that the school year had started. Lindsay had nothing to report nor did Tony who found it difficult to round up guest speakers during the holiday season. Only vague information about the annual Wine tasting a KAP's place.

Rohan Kelly was unclear about the Terrotarian Publication agenda but was given an assurance that his services would be needed in mid-February sort of makes up for not being selected to run in the Port electorate, don't forget to inform Peter H.

Next Item on the evenings attractions was the presentation by our guest Speaker Lisa Burgman here to talk about the Southern Cross Kids Camp. Tony Francis introduced Lisa who was very enthusiastic regarding her subject which is about giving disadvantaged Kids aged from 7 to 11 years a taste of a normal family camping experience. The children are neglected, from broken families, have been abused, abandoned and unloved. They have not known what it's like to live in a normal family, this camp endeavors to bring some hope and joy into their lives. While on camp they are mentored all the time and never left alone. All types of activities are arranged for them, games, sport, drama, song recitals, craft activities, housekeeping and so forth. Lisa said the camp was very popular and only limited in numbers (13 this year) by the need to engage plenty of suitable mentors as that was a prerequisite for running the camps, the children must be surveilled 24 hours a day. The program has been going for long enough now that former participants having reached the age of 18 can come back to assist with monitoring the youngsters. Lisa was able to portray such a glowing picture of a successful organization supplying hope, training and family functions that these children had not previously experienced.

We also learnt that there is a need for fund raising and could we help in that regard as well as suggesting methods to raise funds. Lisa had plenty of avenues by which we could become involved but the details will be examined by our committee members or at our Board level. Several questions were asked about how long has Southern Cross camps been operating and what results. Answer many years and growing, the Christian background provides strength and respect for the undertaking. Mathew said the organizations objectives fits Rotary values. One fund raising activity that we could assist was manning a turn at the Bunnings Sausage

is this to stop germs or is it a GAG

Scott and His Mentor Wayne

sizzler on 29th February, A roster was quickly drawn up and circulated with 2 hour shifts available so don't be shy just jot your name down please. Mathew proposed a vote of thanks for Lisa's presentation.

Induction: President Barry called up Wayne Taylor to introduce Scott Bailey who was about to become a Rotarian. Scott is in the Head Quarters Northern Command with Wayne and spent a lot of his working life in the police force of Tasmania but still committed to the Army Reserve. Question, Does the Army ever really let anyone go? Scott rose to the rank of Reg Sgt Major before stepping across to the "Dark Side" (Wayne's words) and becoming an Officer. Could make a good sergeant at arms for the club, Ed's comments. Barry welcomed

Scott and gave him his Rotary Wheel and his Dinner Badge. Next our appointed Choir Leader Grant, began the song 'Freeze Jolly Good Fellow' 'no song sheets supplied! Scott has been assigned to the community Service Director who happens to be his Mentor Wayne Taylor.

The meals finally were served, a lengthy delay put down to the absence of our usual very competent Kristy. In General Business Kingo said there was a need to be more organized with our food orders. He didn't make any suggestions so over to our Club Service Director TonyAnd, for a fix or an improvement at least. Sergeant for the night was John Brears and he fined members for not wearing uniforms and then went onto another session of fining us for not Knowing the value of classic cars photos of which he had to pass around for those who needed assistance with recognition (most of us). He raised \$173.55 which wasn't bad. The meeting came to an end at 8;16. Other money reports as follows, foundation only \$18 mainly due to the receiving tins nor going around, Meal surplus \$35. Attendance for the meeting was 24 members, 2 guests
